

DAILY CLEANER

Active cleaner for daily use

Product description

Special active cleaner for **daily use** and for use after installation of untreated elastic flooring (PVC, linoleum, rubber) or flooring with PU/PUR surface treatment. High cleaning power even on greasy deposits. No surface leaching, no grey film left behind. Cleaning without residue or streaks. For safe non-slip surfaces. Meets DIN 18032 requirements for sports flooring.

Features

- 100% **biodegradable**, no hazard symbol
- No residual microfilm**, no surface greying or streaking
- Supports and maintains **non-slip surface properties**
- Suitable for manual mopping as well as mechanical cleaners
- Tested to standards for safe pedestrian movement in public spaces
- Fulfils DIN 18032** and DIN EN 14904 requirements for sports flooring
- Very **affordable** – dilution up to 1:200 – 1:400 with water (25-50 ml in 10 litres of water).

Areas of application

Floors made of plastic materials (PVC, CV, Polyolefin), linoleum, rubber, natural and artificial stone. It is also suitable for sports surfaces and for all floorings with a PU/PUR surface treatment.

Follow the flooring care instructions posted at www.fortelock.com.

Use

Routine daily cleaning: Dilute Forteclean Daily Cleaner with water at a ratio of 1:200 (50 ml per 10 litres of water) and mop the floor with this solution. When used in cleaning machines, the concentration can be increased up to 1 : 400 (25 ml per 10 litres of water). Recommended pad or brush – red standard pad, red grit brush.

Note: Sensitive and delicate surfaces (e.g. wood, metal) must not come into contact with the cleaning solution.

Consumption

Normal use: approx. 0.1 litre per 100 m².

Packaging

Packaged in plastic, 100% recyclable 1 and 5 l bottles

Storage

Store sealed in the original packaging in a cool, dry place. Shelf life of at least 24 months from the date of manufacture when stored in the original sealed container. Keep locked away and out of reach of children.
